In the early part of last year I had a vio-lent attack of rheumatism, from which I was confined to my bed for over three months and at times was unable to turn myself in bed, or even raise the cover. A nurse had to be in constant attendance day and night, I was so feeble that what little nourishment I took had to be given me with a spoon. Af-ter calling in the best local physicians, and trying all other medicines without receiving any benefit, I was induced by friends to try swift's Specific (S. S. S.). I discontinued all other medicines, and took a course of S. S., thirteen small bottles, which affected a com-plete and permanent cure. plete and permanent cure. L. C. BASSET, El Dorado, Kansas.

There is something radically wrong with the health of a child when it seems listless, has poor or no appetite, eyes sunken and with dark skin beneath. In most cases showing these symptoms the child has worms, and all that it needs is some simple remedy, such as Hart's Worm Cream, to expel the worms, and the child will soon be in perfect health again. Parents, try it and let your little ones have a fair chance for life.
